

Organizer

KIGAM (Korea Institute of Geoscience & Mineral Resources)
KIOST (Korea Institute of Ocean Science & Technology)

Co-organizers

Related Organizations and Academia

Chair of Organizing Committee

Kyu Han Kim **President of KIGAM**
Gi Hoon Hong **President of KIOST**

Honorary Members of Organizing Committee

Yong Ahn Park **Seoul National University**
Wang Pinxian **Tongji University**
Asahiko Taira **JAMSTEC**

Science Committee

Session chairs and co-chairs
Invitees from marine geology academia

Important Dates

- Call for Session
21 April, 2014
- Deadline of Session Call
31 August, 2014
- Deadline of Abstract Submission
31 January 2015

Invited Scientific Programs

- 
- Coastal and marine sedimentology
 - Paleoceanography/Paleoclimatology
 - Ocean drillings in Asia and Oceania
 - Coastal morphodynamics and shoreline changes
 - Tectonics of Asian continental margins
 - Sea level changes : geological signatures and impacts
 - Gas hydrate: exploration, development, production
 - Marine resources : petroleum, minerals and aggregate resources
 - Coastal and marine geohazards
 - Submarine topography and geomorphology
 - Geological activities in polar regions
 - Physical and geoacoustic properties of marine sediment
 - Technology for researches & exploration in marine geology
